

## **Cedar Cleaning and Support Services Ltd**

### **Environmental Policy**

**Cedar is committed to conserving the environment and treating natural resources with care and respect.**

It is our aim to go beyond legal requirements to prevent environmental pollution or to reduce it to an absolute minimum.

At Cedar, everyone bears responsibility for environmental protection.

**We work continuously towards reducing the burden on the environment and the use of energy and resources, above and beyond the legal requirements.**

Cedar is committed to minimisation of waste and the recycling of materials.

**We take appropriate precautions to prevent damage to the environment.**

Cedar maintains a high level of vigilance over its activities and products to ensure any possible damage to the environment is minimised.

**We encourage each member of Cedar to act in an environmentally conscious manner.**

It is a constant task of management to increase and encourage awareness of our responsibility towards the environment at all levels. The directors are committed to ensuring that environmental issues are fully evaluated.

**We work with our contractual partners to promote conformance with similar objectives.**

Cedar, along with its suppliers and customers, strives for the best possible environmental practices, such as the promotion of recycling and minimisation of waste in all areas.
